## **EDITORIAL OFFICE'S COMMENTS**

Authors must revise the manuscript according to the Editorial Office's comments and suggestions, which are listed below:

(1) Science editor:

The authors report a case of aneurysm of the carvical aorta. This is a rare disease and of scientific interest. More information could be provided regarding the intraoperative period (did the patient receive blood products, need vasopressor drugs, and what was the total time of circulatory support).

Re: We provided the information regarding the intraoperative period.

More information regarding the postoperative period, such as the total hospital stay and total time in the ICU, could also be provided.

Re: We provided the information regarding the postoperative period.

Language Quality: Grade B (Minor language polishing)

Re: We revised the English of the revised manuscript according to the suggestions of American Journal Experts: <http://www.aje.com>, a professional English language editing company the Editorial Office recommend, and provided a new language certificate along with the manuscript.

Scientific Quality: Grade C (Good)

Re: Thank you very much.

(2) Company editor-in-chief:

I have reviewed the Peer-Review Report, the full text of the manuscript, and the relevant ethics documents, all of which have met the basic publishing requirements of the World Journal of Clinical Cases, and the manuscript is conditionally accepted. I have sent the manuscript to the author(s) for its revision according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors.

Re: We revised the manuscript. Thank you.

Before its final acceptance, the author(s) must provide the Signed Informed Consent Form(s) or Document(s) of treatment.

Re: We provided the Signed Informed Consent Form(s) or Document(s) of treatment.

Before final acceptance, uniform presentation should be used for figures showing the same or similar contents; for example, “Figure 1 Pathological changes of atrophic gastritis after treatment. A: ...; B: ...; C: ...; D: ...; E: ...; F: ...; G: ...”.

Re: We revised the figures section.

Please provide the original figure documents.

Re: We provided the original figure.

Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor.

Re: We prepared and arranged the figures using PowerPoint.

The CARE Checklist was wrongly uploaded, please upload the right document.

Re: The CARE Checklist was checked and the right document was uploaded. We stated on the title page of the manuscript that the guidelines of the CARE Checklist (2016) have been adopted, and uploaded the PDF version of the completed checklist to the system. Thank you.
