

Reply to the reviewers comments:

1. According to the Reviewer 1, 2, and the scientific editor no action or revision is necessary for this manuscript.
2. However as suggested by reviewer-3 the linguistics of this manuscript has been re-revised and re-edited by native English speaker Md Rezaul Karim (Coauthor of this manuscript), Limerick University Hospital, Ireland. We also added the reference suggested by the reviewer-3. Please see reference no. 16.
