

Answering reviewers

Reviewer 1:

Scientific Quality: Grade C (Good)

Language Quality: Grade C (A great deal of language polishing)

Conclusion: Major revision

Comments: The case is interesting. The approach is well described. If more similar cases/ literature review from published cases may be added, this case report will be more interesting. The English language needs to be rewritten, with many sentences not making sense.

Response: We have updated the references and we have an editing company edit the manuscript for language polishing.

Reviewer 2:

Scientific Quality: Grade A (Excellent)

Language Quality: Grade A (Priority publishing)

Conclusion: Accept (High priority)

Comments: The authors conducted a unique research. The case was successfully presented. I do not have any suggestions. The case was successfully presented. I do not have any suggestions.

Response: Thanks for your kind review.
