1. Read the entire manuscript carefully and if possible, make it easily

understandable. Pay attention to, dot, comma, and parentheses, as well as paragraphs. The case needs linguistic revisions.

Thank you again for your suggestion. We have revised the punctuation of the sentences in the text and the language of the article.

2. Ethical approval is not mentioned (not obligation).

We have supplemented the text and marked it in blue. Thank you very much for your kind reminder.

3. The case needs linguistic revisions.

We have revised the language accordingly and will attach the corresponding certificate.
