

Dear Editor ,

Thanks very much for taking your time to review this manuscript. I really appreciate all your comments and suggestions! Please find my itemized responses in below and my revisions. Thanks again!

Here are the general comments from science editor:

- (1) Please prepare and arrange the figure using PowerPoint to ensure that the graph or text portions can be reprocessed by the Editor.
- (2) Please provide the signed Conflict-of-Interest Disclosure Form and Copyright License Agreement.
- (3) Please remove line 465: "Figure 3. Changes of fasting plasma glucose level after initiation of sintilimab", as this line is a wrong duplicate of line 460.

My response to the suggestions from the editor:

- (1) Thank you for the suggestion. We have changed all the figures format by using PowerPoint.
- (2) We, all the authors have signed Conflict-of-Interest Disclosure Form and Copyright License Agreement.
- (3) Thank you for underlining this deficiency. We have delete line 465: "Figure 3. Changes of fasting plasma glucose level after initiation of sintilimab".

Here are the general comments from company editor-in-chief :

I have sent the manuscript to the author(s) for its revision according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors.

My response to the suggestions from the editor:

Based on the instructions provided in your letter, we uploaded the file of the revised manuscript.

We hope that the revised manuscript is accepted for publication in the World Journal of Clinical Cases.
