

Reviewer #1:

Comment 1:

The reviewer suggests to accept this study after a minor editing of the manuscript..

Response: Thanks for your advice. We have invited native English speakers to polish our article.

Reviewer #2

Comment 1:

The manuscript requires a minor editing. Some minor language polishing should be revised.

Response: Thanks for your advice. We have invited native English speakers to polish our article.

Comment 2:

The tables and figures should be moved to the end of the manuscript.

Response: Thanks for your advice. We had moved the tables and figures to the end of the manuscript.

Comment 3:

The discussion is some what long, please short it.

Response: Thanks for your advice. We had shorten the discussion of our article.

Comment 3:

The references list should be updated.

Response: Thanks for your advice. We had updated the references.
