

Dear Editors:

Thank you for your advice. I have registered and learned the use of RCA. I have modified the article by using the RCA, which is very easy to use. I believe the RCA will play an important role in my future writing. I have improved other materials, including fund certificate, CARE, language certificate along with the manuscript.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

[LiuYu, Du Duan ming]
