

SPECIFIC COMMENTS TO AUTHORS

Dear Authors, I found your research article case report on "Nd: YAG water mist laser treatment for one case of giant gestational gingival tumor" to be interesting and valuable, as it provides new and unusual information that may lead to vital research. The paper has been written nicely, but I have noticed a few minor corrections that need to be addressed. First, please check and revise the linguistic modifications and English grammar throughout the manuscript. Additionally, I noticed that Nd: YAG is incorrectly written as Nd: YGA, which may be a typing error. Please correct it. Finally, I recommend incorporating recent references if possible. Once these minor modifications are made, I believe the paper would be appropriate for acceptance. Thank you for your hard work and dedication to this important research.
