

## Format for ANSWERING REVIEWERS

August 30, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 11628-Review.doc).

**Title:** Drug-Targeting Methodologies with Applications: A Review

**Author:** Clement Kleinstreuer, Yu Feng, and Emily Childress

**Name of Journal:** *World Journal of Clinical Cases*

**ESPS Manuscript NO:** 11628

The manuscript has been improved according to the suggestions of Reviewer #00152127:

1. Expressions have been revised to make the content more concise.
2. The manuscript has been double checked and revised to avoid any grammatical mistakes
3. A new section, i.e., Section 4 "Summary", has been added to conclude the review manuscript according to the 4<sup>th</sup> comments

The manuscript has been also improved according to the suggestions made by the Editors:

1. The information of PMID and DOI of each reference has been added.
2. The location of Figures 3 (a) to 3 (c) have been marked in the text (see Section 2.1.1.3).
3. All figures have been adjusted according to the requirements of the revision policies.
4. Grammatical errors and awkward sentences have been eliminated.

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*.

Sincerely yours,

Clement Kleinstreuer, Professor
