

February 23, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 7466-edited.docx).

Title: A Case of Early Right Ventricular Pacing Lead Perforation and Review of the Literature

Author: Gary Nash, John Mark Williams, Rajasekhar Nekkanti and Assad Movahed

Name of Journal: *World Journal of Clinical Cases*

ESPS Manuscript NO: 7466

The manuscript has been improved according to the suggestions of reviewers:

1. The DOI number was added to the references.
2. Image sizes were corrected to be within 126 mm width and 85 mm height requirement.
3. Revision has been made according to the suggestions of the reviewer
 1. Excessive and non-standard abbreviations were removed such as PPM, TTE, EP, CXR, AV, RV.
 2. Electrocardiogram is now abbreviated as ECG rather than EKG.
 3. Body temperature has been stated in degrees Celsius rather than Fahrenheit.
 4. Citations have been placed in order.
 5. The images in figure 4 have been reoriented to be top and bottom.

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*.

Sincerely yours,

Assad Movahed, MD
