

ANSWERING FOR REVIEWERS

May 7, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 17151-review.doc).

Title: A DISEASE THAT SHOULD BE REMEMBERED: SACROCOCCYGEAL PILONIDAL SINUS DISEASE and SHORT HISTORY

Author: Burhan Hakan KANAT

Name of Journal: *World Journal of Clinical Cases*

ESPS Manuscript NO: 17151

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

1. The article was sectioned as reviewers stated.
2. The article was re-edited for language.
3. Summary and core summary were added.
4. Writing of the references was re-arranged in accordance with journal format.
5. References were written in accordance with journal format.
6. Since the article is in the format of mini review, most of the information was obtained from the books. However, such condensed and important information presented in this article cannot be collectively achieved in any available source.
7. In this paper, we aimed to draw attention to pilonidal sinus. Therefore, there is no specific field we emphasized.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Burhan Hakan Kanat', on a light-colored background.
