

Format for ANSWERING REVIEWERS

January 14, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 13126-corrected.doc).

Title: Cardiovascular risk factors for acute stroke: risk profiles in the different subtypes of ischemic stroke

Name of Journal: *World Journal of Clinical Cases*

ESPS Manuscript NO: 13126

The manuscript has been improved according to the suggestions of reviewers:

Author's comments to suggestions of the Editor and Reviewers

The author would like to thank you the supporting comments regarding the interest of the manuscript. Please, note that all changes introduced in the text are highlighted with the pen function of word.

Reviewer #1 (743118)

1. References added in the Introductions are #1-3.
2. We have changed in the Dyslipidemia section "high levels of LDL (instead of HDL)".
3. In the section "Adiposity" we have corrected the redundancy "... and may be can be"

Reviewers 2 (742421)

Thank you very much for your encouraging opinion regarding the contribution of the paper.

Comments to the Editor

- As previously mentioned, all changes are highlighted with the pen function of Word.
- All identical sentences identified by the CrossCheck software have been rewritten.
- A list of abbreviations by alphabetical order is added.
- The running title "Risk factors for acute ischemic stroke is included".
- Details of the author's contribution are also added: "A Arboix designed the research, performed the Pubmed bibliographic research, analyzed data and wrote the paper".
- The academic degrees of A..Arboix are added: MD, PhD.
- A printed copy (PDF) of the first page of all references that are not available in PubMed is provided.
- Reference #65 which was a book (that I have been unable to find) has been changed by a more recent study of the same authors that is also appropriate to support the citation included in the text.

Gorelick PhB. Prevention. In: Erkinjuntti T, Gauthier S (eds). Vascular cognitive impairment. London: Dunitz Ltd, 2002: 571-586 substituted by Gorelick PB, Bowler JV. Advances in vascular cognitive impairment. Stroke. 2010;41:e93-8. PMID: 20075354.

- Typo error in Table 5 is corrected.
- The audio-core is provided.
- Copyright statement and conflict of interest disclosure forms are both signed.

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'A. Arboix', with a stylized flourish at the end.
