

December 14, 2017

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 36864-Revised Manuscript.doc).

**Title: Fatal fulminant herpes simplex hepatitis following surgery in an adult**

**Author:** Yoshihiro Yokoi, Takeshi Kaneko, Tomoki Sawayanagi, Yoichi Watahiki, Yauo Takano , and Yoichi Watahiki

**Name of Journal:** *World Journal of Clinical Cases*

**Manuscript NO:** 36864

The manuscript has been improved according to the suggestions of reviewers. Revision has been made according to the suggestions of the reviewers.

The changes were indicated as underlines.

1 We agreed with the reviewers' comments, and the title was changed as "Fatal fulminant herpes simplex hepatitis following surgery in an adult".

2. We changed as "negative for anti-HSV", "due to" from "given", and "therapy" from "challenge".

3. The abbreviation of herpes simplex hepatitis was described as "HSVH".

4. We changes as "succumbed" from "expired".

5. We added the P values to each percentage.

6. In Discussion, we changed the "during the course" to "after sugery".

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*.

Sincerely yours,

A handwritten signature in black ink, reading "Yoshihiro Yokoi". The signature is written in a cursive, flowing style.

Yoshihiro Yokoi, MD.
