

Dear Fang-fang Ji,

Thank you very much for your letter and advice.

We have revised the manuscript, which we would like to submit for your consideration for publication. The reviewers have no questions about our manuscript.

We hope that the revised version of the manuscript is now acceptable for publication in your journal.

We look forward to hearing from you soon.

Yours sincerely,

Jiexin Zhang

Answers to the reviewers

This is a rare case report about acute coronary syndrome probably caused by Tegafur (S-1).

This manuscript is nicely structured and well written. I have no question about this manuscript.

Response: Thanks for your positive comments.
