Company Editor-in-Chief's comments: I have reviewed the Peer-Review Report, the full text of the manuscript, and the relevant ethics documents, all of which have met the basic publishing requirements of the World Journal of Clinical Cases, and the manuscript is conditionally accepted. I have sent the manuscript to the author(s) for its revision according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors. Before its final acceptance, the author(s) must provide the Chinese version of the ethical approval document. The quality of the English language of the manuscript does not meet the requirements of the journal. Before final acceptance, the author(s) must provide the English Language Certificate issued by a professional English language editing company. Please visit the following website for the professional English language editing companies we recommend: <https://www.wjgnet.com/bpg/gerinfo/240>.

Dear Company Editor-in-Chief,

Thank you very much for your concrete comments to our work.

1. The Chinese version of the ethical approval document has been provided and submitted as "Supplementary Material" by the submission system.
2. The manuscript has been polished by a professional English language editing company, and we have provided the English Language Certificate issued by the company.

Best regards.

Sincerely
