

Dear Editors and Reviewers:

Thank you for your letter and for the reviewer's comments concerning our manuscript entitled Diagnostic value of orbicularis oculi muscle electromyography in functional epiphora. Those comments are all valuable and very helpful for revising and improving our paper, as well as the important guiding significance to our researches. We have studied comments carefully and have made correction which we hope meet with approval. The main corrections in the paper and the responds to the reviewer's comments are as following:

Reviewer #1: The paper is suitable for publication.

I have polished the language of the manuscript, and I have revised the repeated parts of the manuscript. The cited references have been updated.

I would like to re-submit to World Journal of Clinical Cases, and hope it is acceptable for publication in the journal.

Looking forward to hearing from you soon.

With kindest regards,

Yours sincerely

Shaopeng Wang
