

Interesting paper, but what about emotional impact? Look at these references:
Montemurro N. The emotional impact of COVID-19: From medical staff to common people [published online ahead of print, 2020 Mar 30]. *Brain Behav Immun*. 2020;. doi:10.1016/j.bbi.2020.03.032 Armitage R, Nellums LB. COVID-19 and the consequences of isolating the elderly. *Lancet Public Health*. 2020;5(5):e256. doi:10.1016/S2468-2667(20)30061-X

Thank you for your examination of my manuscript during your busy schedule! According to your modification opinion,I cut out the number of words in the title and supplement the shorts of references.The original data is uploaded in the form of Supplementary Material. Please review it again.

Sincerely
He Tianpeng
