

**Reviewer #1:**

I've had a native-English speaker to re-edit my manuscript.

**Reviewer #2:**

1. I have added the title page
2. I have moved the table and figures to the end of the document, and add the refer of the tables and figures in the main text.
3. I have re-edited the references according to the journal's guideline.

**Science Editor**

1. I have updated the references. Now there are 9 references published in the last 3 years. There are 20 references published in the last 10 years.
2. There are no self-citations because I have not published papers in English.
3. I have add the financial support copy this time.
4. I have added the "author contribution" section this time.
5. I have prepared and arranged the figures using Powerpoint.
6. I have added the PMID and DOI in the reference list. I have list all the authors of the references.
7. I have wrote the "article highlight" section.

**Company Editor-in-Chief:**

I have revised the manuscript according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors.
