

## Response to Reviewers Comments

We thank the reviewers for their thoughtful and supportive comments. We have revised our manuscript in response to their suggestions and hope that this improved manuscript is acceptable for publication in *World Journal of Clinical Cases*.

Reviewer #1: accepted for publication

Reply: Thank you for your kind consideration.

Reviewer #2: the paper: Repair mechanism of astrocytes and non-astrocytes in spinal cord injury is a very interesting well written paper, helped me to get introduced to this interesting field of basic science in neurological tissue repair

Reply: Thank you for your comments, in addition, we further polished the manuscript.

Best regards,

Xiu-Jun Zheng
