Dennis A Bloomfield  
Editor-in-Chief  
*World Journal of Clinical Cases*

Dear Editor:

**Name of journal:** World Journal of Clinical Cases

**Manuscript NO:** 53399

**Title:** Diagnostic strategy and management of glandular papilloma of lung: a case report

**Reviewer's code:** 00608223

Thank you very much for your kind e-mail, which gave us the possibility to revise our manuscript. We emended the paper according to the reviewers' comments. We hope this revision will make our manuscript better to be accepted in your journal.

We hope that the revised version will fulfill the requirements for publication in the World Journal of Clinical Cases.

Thank you very much.

### **Reply to reviewer's comments**

The limitations are mainly those inherent to a case report, and cannot be overcome in this manuscript for that reason.

Answer: thanks for the comment. Because of rare cases were published. We will keep follow up the publication of the same diagnosis of case. The following diagnosed and treatment plans should be established after much numbers of glandular papilloma of lung.

Sincerely,  
Tsai-Wang Huang, M.D., PhD.
