Thank you for inviting us to submit a revised draft of our manuscript entitled, "Liver cirrhosis in a child associated with Castleman's disease: A case report" to World journal of Clinical Cases. We also appreciate the time and effort you and each of the reviewers have dedicated to providing insightful feedback on ways to strengthen our paper. Thus, it is with great pleasure that we resubmit our article for further consideration. We have incorporated changes that reflect the detailed suggestions you have graciously provided. We also hope that our edits and the responses we provide below satisfactorily address all the issues and concerns you and the reviewers have noted.

We have corrected the typo (p. 4, lines 81, p. 6, lines 117, p. 9, lines 183).

Again, thank you for giving us the opportunity to strengthen our manuscript with your valuable comments and queries. We have worked hard to incorporate your feedback and hope that these revisions persuade you to accept our submission.
