

Answering Reviewers

Dear editor

I am very grateful to your comments for the manuscript. According with your advice, we amended the relevant part in manuscript. Some of your questions were answered below.

For comments of Reviewer 1: I have added in Abstract section the absolute number of peripheral blood eosinophils.

For LANGUAGE QUALITY: I had a native-English speaker edit the manuscript for grammar, sentence structure, word usage, spelling, capitalization, punctuation, format, and general readability, as the Certificate letter confirmed.

For Issues raised by Science editor:

1. I have added "Author contribution" section in my manuscript.
2. I have arranged the figures using PowerPoint and uploaded in the "Imaging file".
3. I have added the PMID and DOI in the reference list except reference 6, because the reference 6 has no PMID.
4. I have added "FINAL DIAGNOSIS", "TREATMENT", and "OUTCOME AND FOLLOW-UP" section to the main text.
5. I have revised the number of references.

For Issues raised by Editorial office director:

I have filled out each item of the CARE Checklist–2016 with page numbers.(uploaded in the checklist file)

After revising the manuscript, I have submitting revised manuscript following the direction strictly, and provided all required accompanying documents, and uploaded documents to ensure all of them are correct.

Should you have any questions, please contact us without hesitate.

Thanks for all the advice again.

Best regards,

Shi-Chong Wang, Wen-Yu Yang
