

Dear Prof. Lian-Sheng Ma,

Thank you for your letter and for the reviewers' comments concerning our manuscript "A case of menetrier's disease and differential diagnosis". Those comments are all valuable and very helpful for revising and improving our paper, as well as the important guiding significance to our researches. We have studied comments carefully and have made correction which we hope meet with approval. Revised portion are marked in blue in the paper. The main corrections in the paper and the responds to the reviewer's comments are as following.

Responds to your comments:

Reviewer#1:

1. Response to comment: Change the title of case report.

Response: Thank you for your careful work. We have changed title of the case report.

2. Response to comment: Introduction is missing, too many references in discussion section, all 45 references included in discussion section.

Response: Thank you for your valuable advice. We have increased the introduction part and adjusted the number and location of references.

3. Response to comment: Discussion and differential diagnosis cut the short and correlates the important findings.

Response: Thank you for your instructive suggestions. We have revised it according to your request.

4. Response to comment: Conclusion of the case report is not provided.

Response: Thank you very much to point out the issues in our manuscript. We have added conclusion in the manuscript.

5. Response to comment: The authors should provide the CARE Checklist–2016 with page number and written informed consent. No academic misconduct was found in the Bing search.

[Response: We have made the modification according to your request.](#)

6. Response to comment: The title is too long, and it should be no more than 18 words.

[Response: Thank you for your careful work. We have changed title of the case report.](#)

7. Response to comment: The authors did not provide the approved grant application form(s). Please upload the approved grant application form(s) or funding agency copy of any approval document(s).

[Response: We have uploaded the fund certificate as required.](#)

8. Response to comment: The authors did not provide original pictures. Please provide the original figure documents. Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor.

[Response: We have merged the original pictures, these pictures can be edited and modified.](#)

9. Response to comment: The “Case Presentation” section was not written according to the Guidelines for Manuscript Preparation. Please re-write the “Case Presentation” section, and add the “FINAL DIAGNOSIS”, “TREATMENT”, and “OUTCOME AND FOLLOW-UP” sections to the main text, according to the Guidelines and Requirements for Manuscript Revision.

[Response: We have made the modification according to your request.](#)

10. Response to comment: Before its final acceptance, the author(s) must provide the Signed Informed Consent Form(s) or Document(s).

[Response: we have signed informed consent form as request.](#)

11. Response to comment: Click and download the Copyright License Agreement Form. Subsequently, a PDF (scanned) version of the Copyright License Agreement Form that has been signed by all authors should be uploaded to the file destination of ‘Copyright License Agreement’.

[Response: All authors have signed the Copyright License Agreement Form, and have uploaded it to the file destination of “Copyright License Agreement”.](#)

12. Response to comment: Click and download the fillable ICMJE Form for Disclosure of Potential Conflicts of Interest (PDF), and fill it in. The Corresponding Author is responsible for filling out this form. Once filled out completely, the Conflict-of-Interest Disclosure Form should be uploaded to the file destination of 'Conflict-of-Interest Disclosure Form'.

Response: Thank you for your valuable advice. The corresponding author has filled out this form and uploaded it to the file destination of "Conflict-of-Interest Disclosure Form".

Special thanks to you for your good comments.
