

Dear editor:

Thanks very much for your time and effort you have spent reviewing our paper (Manuscript NO.: 68006, Case Report). We are very pleased to know that our manuscript basically meet requirements of WJCC. The comments from reviewer and editors are very helpful for improving our paper. We have studied these comments carefully. Based on the comments, we have made proper modification on the original manuscript. The responds to the reviewers' comments are listed as following:

Reviewer #1

The title is informative and relevant. The references are relevant and recent. The cited sources are referenced correctly. Appropriate and key studies are included. The introduction reveals what is already known about this topic. The research question is clearly outlined. The case is well-described, the used methods methods for diagnosing and therapy were valid and reliable. The patient data is presented in an appropriate way. The illustrative materials are relevant and clearly presented. Data is discussed from different angles and placed into context without being overinterpreted. The conclusions are supported by references and own results. This paper added to what is already in the topic. The article is consistent within itself. Specific comments on weaknesses of the article

and what could be improved: Major points - none Minor points 1. Th
authors put author contributions in the acknowledgement section;

Reply: Thank you very much for your comments! And we have revised the acknowledgement as you suggested.

Science editor:

Issues raised: (1) The title is too long, and it should be no more than 18
words; and (2) The authors did not provide original pictures.

Reply: Thank you very much for your suggestions. We have revised the title and provided the original figure documents.

We deeply appreciate your consideration of our manuscript and look forward for your reply. If there is any more question, please contact with us at any time. We are willing to improve our manuscript for the possibility of publication.

Thank you and best regards.

Sincerely,

Xiaorong Qi
