

Dear Editors and Reviewers:

Thank you for your letter and for the reviewers' comments concerning our manuscript entitled "**Nephrotic syndrome in syngeneic hematopoietic stem cell transplantation recipients: a case report**" (Manuscript-ID:57284). Those comments are all valuable and very helpful for revising and improving our paper, as well as the important guiding significance to our researches. We have studied comments carefully and have made correction which we hope meet with approval. The main corrections in the paper and the responds to the reviewer's comments are as following:

1. **Response to comment:** Please upload the approved grant application form(s) or funding agency copy of any approval document(s).

Response: We have uploaded the approved grant application forms or funding agency copy of any approval documents.

2. **Response to comment:** Please provide the original figure documents.

Response: We have provided the original figure documents.

3. **Response to comment:** Please re-write the "Case Presentation" section.

Response: We have re-written the "Case Presentation" section, and added "FINAL DIAGNOSIS" and "TREATMENT" section to the main text.

4. **Response to comment:** The quality of the English language of the manuscript does not meet the requirements of the journal.

Response: We have provided the English Language Certificate issued by AJE website.

We tried our best to improve the manuscript and made some changes in the manuscript. These changes will not influence the content and framework of the paper.

And here we did not list the changes but marked in red in revised paper.

We appreciated for Editors/Reviewers' warm work earnestly, and hope that the correction will meet with approval.

Once again, thank you very much for comments and suggestions.

Yours sincerely
