

Dear reviewers:

I'm glad to receive your comments and I shall response as follows.

Response to reviewer (00068912): According to the comments, we have read the recommended literature and cited it in our paper (Reshetnyak VI, Burmistrov AI, Maev IV. *Helicobacter pylori*: Commensal, symbiont or pathogen? *World J Gastroenterol* 2021; 27(7): 545-560)

Response to reviewer (03767650): 1, At the end of the discussion section, we add some more detailed explanations of how the results of this report will be useful in the future to the extent that we know it. 2, We checked this paper again and correct the spelling mistakes that being found.

Thank you.

Yours sincerely

Dong-Yu Li
