

Dear Reviewer,

We have received your comment and we truly appreciate them. Here is our response to your comments.

Reviewer 1:

Regarding grammars being in past and present tense, we have fixed all and unified them in past tense.

Table #1 might be considered excessive but we wanted to show thoroughness in our case.

Reviewer 2:

Authors contribution has been added

Case presentation has been adjusted to your journal style on the submission website.

Please don't hesitate to ask us any questions.

Best regards,

Corresponding author Dr. Khiatah
