

24<sup>th</sup> of September 2012

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name wjg-2012-032962-review .doc).

**Title:** Is alcoholic pancreatitis associated with enteroviral infection?

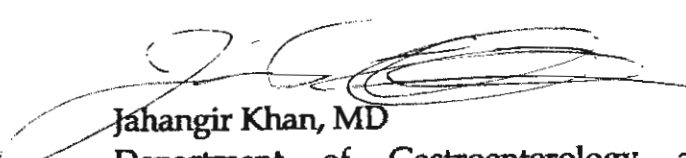

**Author:** Jahangir Khan, Isto Nordback, Hanna Seppänen, Riitta Lappalainen-Lehto, Satu Järvinen, Sami Oikarinen, Sisko Tauriainen, Sari Rätty, Heikki Hyöty and Juhani Sand

**Manuscript No:** wjg-2012-032962

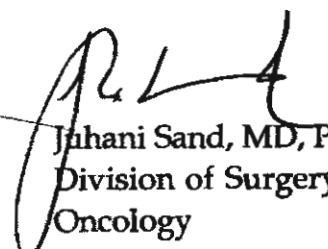

The manuscript has been improved according to the suggestions of reviewers and editors:

1. We have revised the format in the title page as suggested (page 1).
2. We have added author contributions to the text now (page 1).
3. More details are now shown in the results of the abstract (page 2).
4. Table 1 has been removed and its content is now included in the text (page 6).
5. Format of the references was revised (pages 11-15).
6. In addition, we further polished the language in the entire manuscript.

We hope that after these revisions, our manuscript would be found acceptable for publication in the World Journal of Gastroenterology. If further revisions are required, we would be pleased to improve the manuscript according to the suggestions of the editors and reviewers.
