Name of Journal: World Journal of Gastroenterology

The manuscript has been improved according to the suggestions of reviewers:

Please find enclosed the edited version per your suggestions.

Please feel free to contact me with any more questions.

Thanks for your help

Dinesh

Changes:

- 1) Updating the references so they now appear in order of appearance in the document.
- 2) Updating the abstract to make it greater than 150 words.
- 3) Updating the first paragraph so that it is now around 100 words and discusses salient points discussed in the article.
- 4) A few minor grammatical corrections.

In terms of reviewer's comments:

Reviewer #1

- Made minor grammatical changes to the text.

Reviewer #2 COMMENTS

COMMENTS TO AUTHORS:

- Unable to find the original article referenced by reviewer.

Reviewer #3 COMMENTS

We don't have no experience due to difficulty in performing these studies in our setup, at this point of time.

Thank you again for publishing our manuscript in the World Journal of Gastroenterology.

Sincerely yours,

Dinesh Vyas
