

July 21, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 4480- revised paper.doc).

Title: Composite diffuse large B-cell lymphoma and classical Hodgkin's lymphoma of the stomach: Case report and literature review

Author: Hong-Wei Wang, Wen Yang, Wang Lin, Yun-Long Lu, Jiang-Yang Lu

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 4480

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) the word fur has been used in several places where we would normally refer to exudates

Response: We have replaced the word fur with exudates in the revised manuscript.

(2) the term corpus ventriculi is not generally used

Response: We have replaced the term corpus ventriculi with gastric corpus in the revised manuscript.

(3) the words neutrophile and eosinophile should be replaced with neutrophil and eosinophil

Response: We have replaced the words neutrophile and eosinophile with neutrophil and eosinophil in the revised manuscript.

(4) The final conclusion concerning immunotherapy is without evidential basis, and should be removed or rephrased.

Response: According to this suggestion, the final conclusion concerning immunotherapy has been removed.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Wang Hongwei Lu Jiangyang
