

Buenos Aires, July 11<sup>th</sup> 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 4046-edited revised.docx).

**Title:** Endoscopic management of complications to chronic pancreatitis

**Authors:** Jean-Marc Dumonceau, Carlos Macias-Gomez

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** ID: 00002970

The manuscript has been improved according to the suggestions of reviewers:

**Editor's comments**

*The article was class B for language quality; it has been edited by a UK co-worker of the Editor of this special issue, Asbjørn Mohr Drewes. American spelling was retained.*

*The abstract has been completely rewritten*

*A new paragraph has been inserted*

*Headings have been made throughout the manuscript*

**Reviewer 00503443**

*We thanks the reviewer for the comments*

**Reviewer 00037961**

*A conclusion has been added.*

**Reviewer 00044945**

*A new paragraph has been added to report separately on the results of endoscopic treatment for PPC that develop in the setting of acute and of chronic pancreatitis.*

**Reviewer 00009064**

*It is now stated in the first paragraph that this is a review article rather than an analysis of specific studies*

*The second paragraph has been deleted*

*A new paragraph describing the role of endoscopy in CP-related complications has been added.*

*A new paragraph has been added about potentially malignant cysts.*

*A new paragraph has been added about infected pseudocysts.*

**Reviewer 00053888**

*Many studies do not report separately the results of endoscopic treatment for both types of PPC. Nevertheless, a new paragraph has been added to report separately the results of endoscopic treatment for PPC that develop in the setting of acute and chronic pancreatitis.*

*A conclusion has been added.*

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
