

Oct 17, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 5423-edited.doc).

Title: Nickel trafficking system responsible for urease maturation in *Helicobacter pylori*

Author: Ruiguang Ge, Dongxian Wang, Mingcong Hao and Xuesong Sun

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 5423

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) Many thanks for the three reviewers' positive comments. All the minor points have been addressed.

(2) Based on the suggestion of the reviewer 0018436, one figure has been added to summarize the nickel trafficking proteins in *H. pylori*.

(3) According to the suggestion of the reviewer 0018436, one summary has been added.

(4) The editor's suggestions have been included in the article (adding street information of the university; core tips of the article)

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Ruiguang Ge, PhD
