Dear Editor,

Please find enclosed the edited manuscript in Word format (ESPS Manuscript NO: 5648).

Title: Reappraisal of xenobiotic-induced, oxidative stress-mediated cellular injury in chronic pancreatitis

Author: Ajith K Siriwardena

Journal: World Journal of Gastroenterology

ESPS Manuscript NO: 5648

The manuscript has been carefully improved according to the suggestions of reviewers:

1. The title has been shortened to 12 words.
2. A running title is provided.
3. The "aims" section of the abstract now complies with the 20 word limit.
4. Key words have been provided.
5. A "core tips" section has been provided.
6. The reference citation in the text now complies with World J Gastroenterology format.
7. The reference citation in the list of references also complies with World J Gastroenterology format and PMID numbers are provided.
8. The tables are modified as requested.
9. A comments section on background, research frontiers, innovations, applications and use of terminology is provided.

Thank you again for publishing this important manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Ajith Siriwardena MD FRCS
Professor of Hepatobiliary Surgery
University of Manchester

Consultant Hepatobiliary Surgeon
Manchester Royal Infirmary
