2. The manuscript has been improved according to the suggestions of reviewers:
  - Reviewer 1 : 1. Did the patient have any urinary symptoms?  
*The patient did not have any urinary symptoms.*
  
  2. My document to review showed the endoscopic image in black and white - am I correct that a color version is available.  
*Endoscopic image was changed for colored version.*
  
- Reviewer 2 : A rare presentation and good to publish

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Moon-Soo Lee, MD.
