

ANSWERING REVIEWERS

February 24, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPS Manuscript 8416-Review.docx).

Title: Epithelioid haemangioendothelioma of the liver as a rare indication for liver transplantation

Author: Remiszewski Piotr, Szczerba Ewa, Kalinowski Piotr, Gierej Beata, Dudek Krzysztof, Grodzicki Mariusz, Kotulski Marcin, Paluszkiewicz Rafał, Patkowski Waldemar, Zieniewicz Krzysztof, Krawczyk Marek

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 8416

The manuscript has been improved according to the suggestions of reviewers:

1. Abstract and manuscript formats have been updated accordingly to meet the standards and format of *World Journal of Gastroenterology*.

2. Revision has been made according to the suggestions of the reviewers

(1) Some abbreviations first mentioned without being preceded by the full name were corrected

(2) Patient's symptoms and clinical data were summarized, tabulated and analyzed

(3) The reviewer suggested Log Rank test, Tarone-Ware test or similar statistical test to compare survival.

In the manuscript Chi-squared test was used "a multiple-sample test that is an extension of Gehan's generalized Wilcoxon test, Peto and Peto's generalized Wilcoxon test, and the log-rank test. First, a score is assigned to each survival time using Mantel's procedure, next a Chi-square value is computed based on the sums (for each group) of this score" (Statistica Data Analysis Software Manual).

(4) In the Discussion the authors emphasized comparison the findings from previous studies with the results obtained in the present manuscript

(5) Some points in Results and Discussion (e.g. mortality) were elaborated according to the suggestions of the reviewer

3. Number of references and typesetting were corrected

4. The manuscript was classified as Grade B language quality so required some minor English language polishing. Therefore, the authors requested correction by native speaker from professional English language editing companies (www.isl-science.com). We kindly request the Editor to accept the attached and revised version of the manuscript.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Piotr Remiszewski'.
