Dear Editor:

We are re-submitting the enclosed manuscript, "Current treatment options for colon cancer peritoneal carcinomatosis" for publication in the *World Journal of Gastroenterology*.

Please find enclosed the edited manuscript in Word format (file name: 9372.doc).

We are very pleased to see the reviewer's comment, "I have no particular comment on it, and I suggest that it should be published as it is".

We look forward to receiving the galley proof for the *World Journal of Gastroenterology* soon.

Sincerely yours

Kazuaki Takabe MD, PhD, FACS

Editorial Board Member of *World Journal of Gastroenterology*

Associate Professor of Surgery, Associate Professor of Biochemistry and Molecular Biology
