

## ANSWERING REVIEWERS

May 24, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8908-review.doc).

**Title:** Gastrointestinal endoscopy in pregnancy

**Author:** Nurten Savas

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 8908-Review

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated and grammatical errors are edited by a professional English language editing company

2 Revision has been made according to the suggestions of the reviewer

(1) Some abbreviations are made such as: GI; instead of gastrointestinal, CBD; instead of common bile duct

(2) Conclusion paragraph is added to almost all of the section

(3) On page 5 Mobius syndrome is explained

(4) The hormones affecting the gastrointestinal motility are explained

(5) Debby's study is extensively explained

(6) Risk of Beta blockers during pregnancy are explained

(7) Transjugular intrahepatic portosystemic shunt is abbreviated as TIPSS

(8) The indication of percutaneous endoscopic gastrojejunostomy is explained and reference is given

(9) Indication for sigmoidoscopy is explained and sigmoidoscopy with tap water is discussed

3 References and typesetting were corrected

4 English language is edited

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Nurten Savas, MD
