

ANSWERING REVIEWERS

August 18, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12383-review.docx).

Title: Colonic MALT-Lymphoma Identified by NBI mode and Indigocarmine Chromoendoscopy

Author: Sang-Wook Seo, Seung-Hwa Lee, Duck-Joo Lee, Kwang-Min Kim, Joon-Koo Kang, Do-Wan Kim, Jeong-Hun Lee

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 12383

The manuscript has been improved according to the suggestions of reviewers and science editor:

1. Format has been updated.
2. Revision has been made according to the suggestions of the reviewer.

We deeply appreciate reviewers for their elaborate comments on our manuscript.

Also, we sincerely agree with reviewer's comment: *the discussion is too long and should be shortened*.

According to reviewer's precious comment, we tried our best to mend and ameliorate our manuscript.

We would like to inform that we edited the discussion part of our manuscript to make it more clear, logical, and concise. We hope that you will find these alterations satisfactory. Again, we appreciate reviewers' constructive suggestions.

3. References and typesetting were corrected

We sincerely appreciate reviewers and all editors of the *World Journal of Gastroenterology (WJG)* for spending their time on checking our manuscript.

We look forward to positive reply of *WJG* (the reputable and international journal), as soon as possible.

I appreciate your generousness and kindness profoundly, again.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'SH Lee' with a stylized flourish at the end.
