

ANSWERING REVIEWERS

November 30, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 6495-review.doc).

Title: Intestinal obstruction due to migration of a thermometer from bladder to abdominal cavity

Author: Jing Nie, Bo Zhang, Yan-Chao Duan, Yue-Hua Hu, Xin-Ying Gao, Jian Gong, Ming Cheng, Yan-Qing Li

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 6495

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated.

2 Revision has been made according to the suggestions of the reviewer

(1) The word “**enterocoelia**” has been changed to “abdominal cavity.”

(2) The “**erect abdominal X-ray**” has been changed to “**upright abdominal radiograph**” or (abdominal) radiograph.”

(3) The “**defaecation and deaeration**” is changed to “**defecation and flatus**.”

(4) “**April 2, 2013**” has been removed.

(5) The statement “**He denied any illicit drug use before**” is removed.

(6) **The serum level of C-reactive protein is added in the paper.**

(7) **The statement “capacious fluid levels” is removed.**

(8) Words in the discussion sections that seems to be overlapped with the Introduction have been removed.

(9) The manuscript has been checked again by an experienced author to improve the language.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Jing Nie, MD
