Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12655-review.doc).

Title: Adenomas of common bile duct in familial adenomatous polyposi

Author: Mao-Lin Yan, Jun-Yong Pan, Yan-Nan Bai, Zhi-De Lai, Zhong Chen, Yao-Dong Wang

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 12655

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) If the patient could have undertaken upper gastrointestinal endoscopy before laparoscopic cholecystectomy at another hospital.

The patient have not undertaken upper gastrointestinal endoscopy before laparoscopic cholecystectomy at another hospital, because he was mistaken for common bile duct stones.

(2) There is needless 'the' in the sentence about local excision of benign lesion of the CBD, in the part of Discussion.

'the' was deleted in the part of Discussion.

(3) There is the need to correct. Figure legends 1. MRCP→magnetic resonance cholangiopancreatography CBD→ common bile duct 5,6 CBD→ common bile duct Table 1 Legends CBD→ common bile duct etc.

MRCP was corrected to magnetic resonance cholangiopancreatography, CBD was corrected to common bile duct

.....

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
