Dear Editor

Thank you for your suggestion on my manuscript. I revised the manuscript according to the reviewer's comment. A table presenting clinical trials and some important references are added on the revised manuscript (Table 1). I hope that the revision is suitable for publication in *World Journal of Gastroenterology* as a review article (invited article).

All the authors have approved the revised manuscript and agree with the submission to *World Journal of Gastroenterology*.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*

Sincerely yours,

Shoji Kubo, M.D.
