

## ANSWERING REVIEWERS

June 20, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPS Manuscript 10936-Review.doc).

**Title:** Primary pancreatic paraganglioma: A report of two cases and literature review

**Author:** Lei Meng, Jin Wang, Song-Hua Fang

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 10936

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) **In surgical treatment, we could select simple excision of the tumor rather than radical surgery.** The above sentence is added in the abstract, because a focus on the surgical resection as the only option of radical treatment was not mentioned in the abstract and the conclusion of the original manuscript.

(2) **For surgical treatment, we could select simple excision of the tumor rather than radical surgery.** The above sentence is added in the conclusion, because a focus on the surgical resection as the only option of radical treatment was not mentioned in the abstract and the conclusion of the original manuscript.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Song-Hua Fang, MD, PhD, Chief Physician,  
Department of Radiology, Sir Run Run Shaw Hospital,
