

## Format for ANSWERING REVIEWERS

February 15, 2016

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 23984-review.doc).

**Title:** Missing metastases as a model to challenge current therapeutic algorithms in colorectal liver metastases

**Author:** Valerio Lucidi, Alain Hendlisz, Jean Luc Van Laethem, Vincent Donckier

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 23984

The manuscript has been improved according to the suggestions of reviewers:

The following changes have been made:

- The title has been shortened. New title is : Missing metastases as a model to challenge current therapeutic algorithms in colorectal liver metastases
- City and postal codes have been added for all authors
- The conflict of interest statement has been notified on manuscript's title page.
- Pubmed citation numbers and DOI have been added for all reference. Of note, no DOI citation could be found for reference 51 (Fiorentini et al. Tumori 2008). The pdf version of the paper is provided.

The following files are provided:

- For the conflict of interest statement, a copy of signed statements is provided separately.
- A copyright assignement, signed by all authors
- Certification by professional English editor is provided separately
- An audio core tip file is provided separately

I hope you will find these changes adequate,

I remain,

Best regards,

For the authors,

Vincent Donckier
