

September 17<sup>th</sup> 2015

Dear Reviewers,

Thank you for your helpful and constructive comments.

As per your comments, we have added a page (11/12 – highlighted) on how to differentiate TB from IBD using cross sectional imaging. We hope that this is to your satisfaction.

We have also modified the abstract and the core tip and recorded an audio tip. We have included a conflict of interest statement.

Yours sincerely,

Aoife Kilcoyne
