Title: Role of ultrasound in colorectal diseases: systematic review

Authors: Ren a Bor, Anna F abi an, Zolt an Szepes

Dear Editor,

Thank you and the reviewers for the useful comments and criticisms. Our article was changed in accordance with the comments of the reviewers. The changes in the manuscript have been highlighted. The comments are numbered and the changes are listed below:

Answers to the reviewer comments:

1. Good review of the role of sonography in colorectal diseases. Details of technique of rectal ultrasound can be made better.

Thank you the comment. The description of technique of rectal ultrasound has been expanded.

Yours sincerely,

Ren a Bor MD
