*Response to reviewer 00502743*

Dear Reviewer,

Thank you for taking the time to read our manuscript. We have taken your suggestions to heart and the information in the manuscript has been thoroughly condensed. As a result the word count has been reduced by almost a third. We hope you find the changes satisfactory.

---

*Response to editor in chief*

All suggestions have been applied in the revised manuscript.

1. The requested font Book Antiqua in 12 pt and 1.5 line spacing have been applied throughout.
2. Running title: as the title is only 6 words we kept the running title identical to the title
3. Authors: the author listing is changed to the requested format
4. Author contributions: field added to title page
5. Conflict of interest: field added to title page, see attachment number 5 for full file
6. Summary: added
7. Audio Core Tip: recorded, see attachment number 4
8. Author abbreviation names and manuscript title added after abstract
9. Reference numbers throughout the manuscript have been changed into the requested format

10. Title levels have been adjusted accordingly
11. Tables have been moved to the end of the manuscript. We are unsure about what is meant by providing decomposable parts in these tables. Please let us know if we did correctly change the format here.
12. References: DOI and PMID have been added where available
13. References: please see attachment 9 and 10 for the first pages of reference number 3 and 20.
14. References: all references have been converted into the requested format
15. Google Scholar, there were no hits. See attachment 6 for document
16. Cross check; unfortunately our university does not offer crosscheck facilities. We did however run the article through an alternative plagiarism checker, which did not reveal any unoriginal text. See attachment number 7 for the full results.
