

December 7, 2015

Dear Editor

Please find enclosed the edited manuscript in Word format (file name: 23117-Revised manuscript)

Title: Glucagon-like peptide-1 analogue prevents non-alcoholic steatohepatitis in non-obese mice

Author: Takaya Yamamoto, Yukiomi Nakade, Taeko Yamauchi, Yuji Kobayashi, Norimitsu Ishii, Tomohiko Ohashi, Kiyoaki Ito, Ken Sato, Yoshitaka Fukuzawa, and Masashi Yoneda

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO : 23117

The manuscript has been improved according to the suggestions of reviewers and administrators:

1 Format has been updated is word doc formart.

2 Revision has been made according to the suggestions of the reviewers and administrator suggestions as follows:

1. Please provide language certificate letter from a professional English language editing company.

Response: The manuscript has been checked by a professional English language editing company and the authors received certification.

2. In author contribution, family name should be put first in full, followed by middle names and first name in abbreviation with first letter in capital.

Response: We have formatted and corrected the author's names and their contribution.

3. In order to attract readers to read your full-text article, we request that authors make an audio file describing your final core tip.

Response: Audio file is attached.

4. To help readers avoid misunderstanding or over-interpretation of your study by summarizing the content of your article, we request that authors provide Background, research frontiers, innovations and breakthroughs, significance of the applications, terminology, and comments from peer reviewers.

Response: We provided these specific requirements.

5. English should be improved 3)in the figures there are some bars that are not represented (figure 2b; figure 4) I guess that values were "0" (?)

Response: The manuscript has been checked by a professional English language editing company. We added some bars in figure 2b and 4.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*

Sincerely yours,

A handwritten signature in black ink, reading 'Yukiomi Nakade'. The script is cursive and fluid, with the first name 'Yukiomi' and last name 'Nakade' clearly distinguishable.

Yukiomi Nakade, MD, PhD,

Division of Hepatology and Pancreatology,

Department of Internal Medicine Aichi Medical University
