

Answering Reviewers:

We really appreciate all of the four Reviewers. We agree with the reviewers and revise this paper as following:

Firstly, some grammar mistakes have been corrected and the language has been polished again by the Editage Company.

Secondly, we modified the illustrations legends and changed the color of the arrows in the Fig 2. Accordingly, the legends of Figure 2 were also revised.

We hope that you will find this paper is now suitable for accept and publish in ***World Journal of Gastroenterology***.

Sincerely yours,

Zhi-Ming Zhao, MD., Ph.D.
