

Dear editor:

We have carefully revised the manuscript according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision. And we would like to illustrate the revision point-to-point as follows.

Reviewer #1:

1. Our manuscript have been carefully polished and edited by a biomedical editing company. We have provided a language editing certificate issued by MedE.
2. According to the reviewer's suggestion, we redrew the figures. In this format, we hope they can meet the academic requirements.

Editorial Office's comments

1. We have made a point-to point response to the issues raised by reviewers.
2. We have rephrased the repeated sentences in the manuscript.
3. We have provided the funding agency copy of approval documents.
4. We have provided the original figure documents in PowerPoint.

I hope our manuscript would meet publishing requirements of the World Journal of Gastroenterology after this revision. I look forward to hearing from you.

Sincerely,

Guo-yue Lv
