We have added a short piece on cholesterol binding resins

Have corrected the NPC1L1 and apo C111 and "Hayashi"

Reviewer 00506347

Have tried to be more forceful. Have broken up the sections with sub titles.

Have explained the triglyceride background but not in depth since this article is forward looking, not backwards looking!

Reviewer 00504962

Have added a figure

Have enlarged ezetimibe and diabetes
